"SALSA" CABLE GROMMET

The "SALSA" cable grommet is different in shape, material and design compared to the traditional round grommets. With its oval shape and lids in brushed stainless steel, the grommets not only offer functionality but also a unique timeless design that enhances the furniture.

The "SALSA" is available in 3 sizes: Small, Medium and Large.

"SALSA" CABLE GROMMET

Model "Small"
Bore size: Oval 32 mm x 105 mm Depth: 15 mm
Outer size: Oval 38 mm x 110 mm Depth: 16 mm

"WIRE-POD" CABLE GROMMET

- high quality furniture fittings

The "WIRE-POD" cable grommet is a combination of aluminium and acrylic. It is available in 3 sizes, 69,5 x 69, 5 mm, 69,5 x 154,5 mm and 69,5 x 304,5 mm and 3 colours, aluminium anodized, aluminium black anodized and white powder painted.

The acrylic plates are available as standard in 3 different designs, CROSS, SLOT & ART and 4 different colours, white, black, green and red.

The whole concept behind the "WIRE-POD" is that the acrylic plates can be customized according to the wishes of the customer. Colour and design is up to the customer's imagination.

CNC-cutting is necessary.

CABLE CHANNEL

WITH ADHESIVE TAPE FOR FLEXIBLE FIXING

With this new plastic cable channel with adhesive tape, the end user can fix the cable channel according to his needs.

The cable channel has two soft lips at the top making it possible to feed a cable out at any point. The soft strips surround the cable and prevent any dirt from getting into the channel.

The channels are supplied in length of 2000 x 70 x 24 mm inclusive 6 cable clamps in the following colors.

Dark grey color (no RAL code)
Item No. #25.21.120

White color RAL 9010
Item No. #25.21.100

Light grey color RAL 7035
Item No. #25.21.110
